ZANIMLJIVOSTI I POVIJEST NAŠEG BOONKERA

Na riječkoj rivi, tik uz more, stoji zaboravljeni njemački bunker iz Drugog svjetskog rata. Debeli betonski zidovi, obrubljeni žičanim zaprekama i krhotinama prošlosti, pričaju priču o strahu i opreznosti. Nekada je to mjesto služilo za stražu i obranu, a danas, u svojoj neočekivanoj renesansi, zove se Boonker. Stanovnici Rijeke ga, u šali i nostalgiji, još uvijek zovu Titov pobednik. Ime je odjek pobjede, oslobođenja i sjećanja na dane kada je grad zadobio slobodu. Za mnoge, to nije samo bunker – to je simbol otpornosti, mjesta gdje se prošlost i sadašnjost susreću. Pretvoren u ugostiteljski prostor, Boonker je dobio novu svrhu. Ispred betonskih zidova sada je terasa, muzika se probija kroz debelu strukturu, a miris kave i pizza zamjenjuje miris baruta i straha. Ali, svatko tko zakorači unutra osjeti težinu povijesti – sjećanja na oslobođenje, na borbu i na grad koji je preživio. "Titov pobednik" nije više samo naziv, nego most između epoha. Tu se susreću priče starijih generacija koje pamte rat i oslobođenje, i mladih koji traže mjesto za smijeh, druženje i kulturu. U Boonkeru svaka cigla šapće tajne prošlih dana, ali s osmijehom pozdravlja i današnje posjetitelje. Tako, između betonskih zidova i modernog namještaja, bunker stoji – nepokolebljiv, povijesno svjestan i živ. Boonker, Titov pobednik, mjesto gdje prošlost i sadašnjost plešu zajedno, u ritmu riječke rive.

INTERESSANTES UND GESCHICHTE UNSERES BOONKERS

An der Uferpromenade von Rijeka, direkt am Meer, steht ein vergessener deutscher Bunker aus dem Zweiten Weltkrieg. Dicke Betonmauern, gesäumt von Stacheldraht und den Trümmern der Vergangenheit, erzählen die Geschichte von Angst und Vorsicht. Einst diente dieser Ort zur Wache und Verteidigung, heute, in seiner unerwarteten Renaissance, trägt er den Namen Boonker. Die Einwohner Rijekas nennen ihn scherzhaft und nostalgisch immer noch Titov pobednik. Der Name hallt von Sieg, Befreiung und den Tagen wider, an denen die Stadt ihre Freiheit wiedererlangte. Für viele ist er nicht nur ein Bunker – er ist ein Symbol der Widerstandsfähigkeit, ein Ort, an dem Vergangenheit und Gegenwart aufeinandertreffen. Als Gastronomiebetrieb umgestaltet, hat Boonker eine neue Bestimmung erhalten. Vor den Betonwänden befindet sich nun eine Terrasse, Musik dringt durch die dicken Mauern, und der Duft von Kaffee und Pizza ersetzt den Geruch von Schießpulver und Angst. Doch jeder, der eintritt, spürt das Gewicht der Geschichte – Erinnerungen an die Befreiung, an den Kampf und an eine Stadt, die überlebt hat. „Titov pobednik“ ist nicht mehr nur ein Name, sondern eine Brücke zwischen den Epochen. Hier treffen die Geschichten älterer Generationen, die Krieg und Befreiung miterlebt haben, auf die jungen Menschen, die einen Ort zum Lachen, Zusammensein und für Kultur suchen. In Boonker flüstert jeder Ziegel die Geheimnisse vergangener Tage, begrüßt aber zugleich die heutigen Besucher mit einem Lächeln. So steht der Bunker zwischen Betonwänden und modernen Möbeln – unerschütterlich, sich seiner Geschichte bewusst und lebendig. Boonker, Titov pobednik, ein Ort, an dem Vergangenheit und Gegenwart zusammen tanzen, im Rhythmus der Uferpromenade von Rijeka.

INTERESTING FACTS AND HISTORY OF OUR BOONKER

On the Riva of Rijeka, right by the sea, stands a forgotten German bunker from World War II. Thick concrete walls, lined with barbed wire and the remnants of the past, tell a story of fear and caution. Once, this place served for guard duty and defense, and today, in its unexpected renaissance, it is called Boonker. The residents of Rijeka still jokingly and nostalgically call it Titov pobednik. The name echoes victory, liberation, and the days when the city regained its freedom. For many, it is not just a bunker – it is a symbol of resilience, a place where past and present meet. Transformed into a hospitality space, Boonker has found a new purpose. In front of the concrete walls, there is now a terrace, music penetrates through the thick structure, and the smell of coffee and pizza replaces the scent of gunpowder and fear. Yet, anyone who steps inside feels the weight of history – memories of liberation, of struggle, and of a city that survived. "Titov pobednik" is no longer just a name but a bridge between eras. Here, the stories of older generations who remember war and liberation meet the young people seeking a place for laughter, socializing, and culture. In Boonker, every brick whispers the secrets of past days, yet greets today's visitors with a smile. Thus, between concrete walls and modern furnishings, the bunker stands – steadfast, historically aware, and alive. Boonker, Titov pobednik, a place where past and present dance together, to the rhythm of Rijeka's Riva.
